U. S. Engineers To Receive Bids On St. Lucie Work

The U. S. Engineers have announced that sealed bids will be received at Jacksonville June 11 for the widening and deepening of St. Lucie Canal.

Funds made available for the job amount to \$1,028,000.

As detailed in specifications, bids will be made in three classifications: (1) on the basis of providing a channel bottom with a width of 150 feet, entailing the removal of 3,540,000 cubic yards; (2) a bottom width of 140 feet, 2,900,000 cubic yards; (3) a bottom width of 130 feet, 2,450,000 cubic yards. Each project would include removal of the old St. Lucie Lock No. 1 at Port Mayaca and the south abutment of the "stop log" dam at Port Mayaca.

The contractor will be required to work at the rate of not less than 400,000 cubic yards a month, which means the Government figures it will take about nine months to do the job, if the major project is accepted.

District Officials Of Boy Scouts Meet Tuesday

Tom S. Kirk, manager of the Pahokee State Farmers' Market, was elected chairman of the North Glades District of the Gulf Stream Council of Boy Scouts at a meeting of district officials in the Lions Hall Tuesday night. Mr. Kirk succeeds A. J. Lively who recently resigned as district chairman.

James Holden was appointed to replace Mr. Kirk as district commissioner and Carson T. Howes was named leadership training chairman. Plans were made to hold a joint meeting of Pahokee scout troops for making final arrangements for summer camp. W. E. Nexsen, assistant scout executive of West Palm Beach, was present at the meeting.

Florida's Railroads Ask Freight Raise

TALLAHASSEE—Florida's railroads have appealed to the Florida Railroad and Public Utilities Commission for permission to increase intrastate freight rates to match increases that have already been granted by the Interstate Commerce Commission effective April 13.

These rates would amount to a 35 per cent increase for shipping within the state in places of boosts recently allowed by the railroad and public utilities commission.

A public hearing on the request has been scheduled to be held May 31.

Mr. and Mrs. W. E. "Billy" Bridges plan to leave for Bartow on Monday, May 31. Mr. Bridges will enroll as a student at the University of Tampa on June 3 and begin class room work there on June 8. While he is attending school Mrs. Bridges will make her home with her parents, Mr. and Mrs. Angus Miller, in Bartow.

Pack Meeting In Canal Point May 31

First Pack Meeting of the Canal Point Cub Pack No. 24 will be held at the school on Monday, May 31, at 8:00 p. m. Parents and cubs are urged to be on time for the meeting which will make plans for the summer months as well as recognize the work of the newly organized Pack. Emblems and pins will be presented and registration of new members will be made. Parents should plan to attend by all means for they are the ones through whom advancement is made.

Fuller Warren To Be Next Governor

Fuller Warren, former plow-boy from Florida's Panhandle, rode into the governorship Wednesday on a margin of more than 21,000 votes.

As up-State returns came in from Tuesday's Democratic second primary, he pulled away from Dan McCarty, Ft. Pierce citrus grower, who had piled up a sizeable lead in the early counting.

It was one of the hardest-fought races in Florida's history with a record-breaking total of over 572,000 ballots deciding the issue. It topped the previous record of 564,880 votes in the May 4 primary.

Warren, 43-year-old attorney now practicing in Jacksonville, will take office early in January. With all but six of the State's 1,523 precincts heard from, Warren had 296,967 votes to 275,833 for his 36-year-old opponent.

McCarty conceded defeat at midnight morning and shortly after noon Warren said:

"I dedicate myself to four years of consecrated service to the State and I re-affirm my platform."

Warren, who was eliminated in the first primary governorship race in 1940 when he ran in the same field with Speas L. Holland, led the nine-man governor's race May 4 with 183,263. McCarty was second with 161,778.

Both have been in politics since their twenties; each has served in the Legislature; each went to the University of Florida and each interrupted his career to serve in World War 2. Warren in the Navy, McCarty in the Army.

Their platforms varied little in major aspects, each favoring better schools, more highway safety, better State advertising, expanded help for agriculture, livestock and industry; good labor-management relations; adequate flood control; further development of parks; full cooperation for veterans.

Mr. and Mrs. George O. Schroder left Tuesday for their home in Narberth, Pa., after spending the season in Pahokee. They were accompanied by their daughter, Miss Carol Schroder, who has been visiting here for the past two weeks.

Mr. and Mrs. J. T. Wood and son, Thomas, of Macon, Ga., arrived Monday for a visit with his uncle and aunt, Mr. and Mrs. B. W. Wood, in Pahokee. They were accompanied by Mr. and Mrs. Morris Hulet and son, Colin, also of Macon.

Florida Cattle Take Place Of Mexican Cattle In Rodeos

KISSIMMEE — A carload of wild native steers left the Livestock Market last week, bound for Kansas City and thence to Lefrbridge, Alberta, where they will be fattened and conditioned for use in the Calgary Stampede, Canada's biggest rodeo.

Other shipments are expected to go to Texas and Maine in the near future, according to Mgr. John Pugh. The steers are picked for strength, size and horns as they go through the arena at the Livestock market.

It will probably take a week or longer for the cattle to get to the far North. They will go from Kissimmee either by way of Montgomery or Birmingham to Kansas City where they will head north again through North Dakota to their destination in Lefrbridge, Alberta, approximately 3,000 miles from Kissimmee.

Other rodeo producers are also looking for wild steers to take the place of cattle which used to be imported from Old Mexico before foot and mouth disease stopped shipments.

Date Set For Baptist Vacation Bible School

The date for the annual vacation Bible school at the Pahokee First Baptist Church was set for June 21-26 at a meeting of officers and teachers of the Sunday school held in the Fellowship Hall Monday night. Rev. C. A. Moberg will act as principal for the vacation school and Mrs. C. L. Shirley, assistant principal.

Mrs. Wiley Tillis was in charge of the devotional program. Preceding the business session a covered-dish dinner was enjoyed with Mrs. Morgan Mullis, Miss Betty Jane Jensen and T. B. Wilson in charge of arrangements.

Joint Meeting Of Lions Postponed

Members of the cast for the Pahokee High School Senior Class play, "Hobgoblin House," presented a skit from the play at the Tuesday luncheon meeting of the Pahokee Lions Club. The annual play, a "mystery-comedy thriller-diller" will be presented this Friday evening in the high school auditorium, starting at 7:40 p. m.

It was announced that date of the joint installation meeting with Belle Glade and Clewiston Lions Club, originally scheduled for the evening of June 11, has been postponed because this is the date set for the Belle Glade High School commencement exercises. It was also announced that the pouring of concrete for the swimming pool in the city park will be resumed next Monday evening and members of the club were asked to assist in this work.

The club voted to bring the city directory at the bank corner up to date and delegated the publicity committee to make the necessary arrangements.

W. E. Nexsen of West Palm Beach, assistant scout executive of the Gulf Stream Council, was a visitor.

City Council Has Regular Meeting

The newly reorganized Pahokee City Council held a regular meeting at the city hall Tuesday night with President Terry L. Sellers presiding. The council granted the American Legion Auxiliary a one-year franchise to operate a concession at the city park when and if the public swimming pool is completed.

45 To Graduate Pahokee School Class Of 1948

Commencement exercises for the Pahokee High School Class of 1948 are scheduled to take place in the high school auditorium on Thursday night, June 10, and baccalaureate services will be held on the preceding Sunday night, June 6. The exercises will open with a brief concert by the Pahokee High School Band which will also play the professional and recreational. The full program will be announced as soon as final arrangements are completed, according to Principal D. D. Caudill.

There are 45 members in the Pahokee High School 1948 Senior Class. One of these, Americus Quency (Potter) Howell, Jr., has joined the U. S. Navy and will probably be unable to attend the exercises. The other candidates for graduation include DeWitt Andrews, Marvin Baker, Bobby Baker, James Barnes, Betty J. Brooker, Juanita Corbett, DeLoach, Patsy Ann Creel, Elwood Decker, Lois Echols, Denise Gamot, Gwen Gant, Frank Gillis, Lena Goodson, Louise Hamilton Stanley, Doris Harper Sims, Ray Hatton, Mary Helen Hooks, Helen Howes, Walta Nell Hull, Eleanor Humphrey, J. L. Humphrey, Betty Jane Jensen, Sibyl Jensen, Dickie Johnson, Ruth Kautz, Carlton McCall, Joan McCarty, Joy Padgett, Joyce Peacock, Carol Phillips Hodges, Margaret Powell, John T. Pickett, Jr., Gwenette Reeves, Frank Rozelle, Jr., Elizabeth Ryals, Martha Scruggs, Harlan Sears, Eddie Stanley, Helen Stokes, Helen Sterns, Fred Taylor, Audrey Walker, Barbara Wroten and Barbara Jenkinson.

BOARD OF TRUSTEES APPROVED DEGREE

TAMPA—The Board of Trustees of the University of Tampa have approved conferring an honorary degree of doctor of humanities on film star Tyrone Power, who will deliver the University's commencement address May 31.

Also approved were degrees of doctor of science for Dr. Hamilton Holt, president of Rollins College, and Dr. Wurtle Rudd, dean of the Medical College of Virginia.

Mr. and Mrs. W. T. Tillman had as guests the past week his sister, Mrs. Ruth McCloed, and children of Miami.

Progress Costs Money

Progress costs money, and it is inevitable that tax rates and charges must go up when a community grows and demands and requires more services and functions of public agencies.

As a city of 30,000 population, Tallahassee cannot operate on the budgets it used as a city of 15,000. It must have more paved streets than it now has; it must extend public services of all kinds. The bill must be paid and it must be paid by the citizens because that is the only source of municipal revenues.

Leon county cannot operate in 1948 on anything like the budget that was sufficient in 1928. There are more roads to be maintained and there must be additional road improvements. Public health, a community necessity must be financed. The people have set up many things for government to do that it didn't do 20 years ago. They demand the services; they pay the bill.

The people properly call for efficiency in government, not just economy. They properly call for expansion, not retraction that isn't justified. They will get good governmental services at maximum efficiency and reasonable cost if they enforce their demands by consistent interest in government and in the election of their officials. Any failing in that responsibility results inevitably in laxity in government and excessive cost of operation for benefits received.—Tallahassee Democrat.

Hard Choice

Old fire-eating Senator Jim Watson was once the topic of a conversation in the White House during the Coolidge administration.

"You know" remarked one of the guests, "I heard Jim make a speech back in his native Indiana one night, and when he came to his conclusion he said, 'Fellow citizens, now I have given you all the facts, and you can vote for me or go to hell!'"

President Coolidge, who had been quietly listening, intervened.

He said: "Difficult choice, wasn't it?"—Washington Post.

Boy Friends

Do girls expect too much of the men they date—or not enough? The answer is both. They expect too much in the way of a man's spending a lot of effort and money on them, just because they are females. They tend to expect too little in the way of decent behavior. The way to keep your attitude right is to think of the man as a friend, not just a date. You will be amazed at how successful this attitude is. Treat men like friends and they become friends. There is no sounder basis for the growth of real romance!—Your Life Magazine.

Golden Gift

Sandy MacTavish was celebrating his golden wedding anniversary. To the gala party came old Angus, bringing a dilapidated alarm-clock that no longer alarmed. It didn't tick!

Sandy held the ancient timepiece to his ear, and angrily exclaimed, "Why, Angus, must, what have ye brought me? A clock that no rings, no strikes and no ticks. Do you call that appropriate for a golden wedding anniversary?"

Old Angus cackled with glee. "Sandy," he rejoined, "hae ye no heard the sayin': 'Silence is golden'?"—Toronto Globe.

CHURCH OF CHRIST SCIENTIST

"ANCIENT AND MODERN NECROMANCY, ALIAS MESMERISM AND HYPNOTISM, DENOUNCED" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, May 30.

The Golden Text is: "He that overcometh shall inherit all things; and I will be his God; and he shall be my son" (Revelation 21:7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "When thou art come into the land which the Lord thy God giveth thee, thou shalt not learn to do after the abominations of those nations" (Deuteronomy 18:9).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Erring human mind-forces can work only evil under whatever name or pretence they are employed; for Spirit and matter, good and evil, light and darkness, cannot mingle. Evil is a negation, because it is the absence of truth; it is unreal, because it presupposes the absence of God, the

omnipotent and omnipresent. Every mortal must learn that there is neither power nor reality in evil" (186:7-11, 12).

Pahokee Methodists Extend Invitations

The First Methodist Church of Pahokee extends a cordial invitation to all the members and friends of the church to be present next Sunday at the Morning Service at 11:00 a. m. This service will be broadcast over WSWN, the Youth Choir will sing, and a report of the activities of the church will be given at this service. The Pastor's Message will center about the Theme: "A Son of Shame." Following the Service there will be a basket dinner on the church yard. This Sunday will mark the close of two years of service to the local church by the pastor, Rev. C. T. Howes. The Evening Service will feature Congregational singing, music by the choir and a message by the pastor "Youth At The Cross Roads."

Dr. and Mrs. L. W. Armstrong have as guests this weekend their son and daughter-in-law, Mr. and Mrs. Alvin Armstrong, and son, Gary, of Miami.

TOO LATE TO CLASSIFY

(By Russell Kay)

One of the most "hair-raising" stories that has come to my attention in a long time has to do with a new product known as "McLaran's 3 out of 5" for the scalp and what happened when Eileen Byrne, Miami Herald Shopping Editor, let her hair down and told readers about it in her column.

With no thought of starting a riot or in any way disrupting the ordinary routine of the Herald Office, Eileen wrote:

"Ever since Deillah gave Samson the once-over-lightly, men have worried more over losing their hair than their bank accounts. In fact, I'll wager that balding gentlemen spend more money in search of hair restorers than women do on creams and lotions to make them young and beautiful.

"Well there's a new salve that's just recently been nationally distributed that everybody but the manufacturer swears will grow hair. Such publications as Newsweek, Wall Street Journal, Time, Reader's Digest and Business Week have given the product nationwide publicity. Newsweek in fact had to beg readers in a later edition NOT to send them money or orders for the salve, because they weren't in the hair raising business.

"The name of the miracle-if true salve is 'McLaran's 3 out of 5,' because the treatment worked on three out of five men who tested the first sample. It won't work when the hair roots are dead, naturally, but apparently in most cases they aren't.

"Instead of putting the product on the market at once, the manufacturers played it smart. Sample jars were presented to balding friends and acquaintances. Since bald men will try anything not just once but five times, the manufacturers had an inexhaustible supply of eager victims who faithfully followed directions to rub on the salve about five minutes daily and let them know what happened.

"When miracles began occurring on the first guinea-pigs, they found other willing tryers and in all—gave away more than 10,000 jars in this informal testing period. When the product was finally put on the market it was in demand and more than a million jars have been sold."

Eileen innocently invited readers to phone the Herald Shopping Service if they were interested in learning where the product might be obtained. Within minutes after that invitation his streets phone calls began to come in. All day long the phone kept jangling and the instruments were practically worn out by the deluge of calls that resulted. 285 calls were registered on one phone and the poor operator was a nervous wreck by night; if anyone said "3 out of 5" to her she would scream. A relief girl who took over while the regular operator went to lunch was gasping for breath before she returned and had registered 50 calls, nearly one a minute during the lunch hour.

And the amazing thing about all these calls was that the bulk of them were from women. They would beat about the bush, say they were calling for husbands or boy friends; most of them were evasive and embarrassed, but nevertheless eager for information. They knew a friend who had falling hair, or the old man's bald spot was spreading so rapidly he looked like he had an egg yolk on his head, or they were just trying to settle an argument, but the Herald phone girls contend that most of them wanted it for their own heads. In fact one woman came right out and told the bald truth that she didn't have a hair on her head.

Others were eager to know whether or not the stuff would grow eyebrows which raise the interesting question, "where are women's eyebrows going to?"

nut," said one fellow, who must be praised not only for his frankness but for his figure of speech. "My forehead is touching the back of my neck," complained another. "When I go to the beach, I sunburn on top of my head," said another. Not one of the women inquiring would give her name but most of the men identified themselves before confiding their interest in the salve that is supposed to put vegetation on desert spots.

So Miami Herald editors have found a new subject which can definitely be classed as of surprising human interest. It is bald-headedness. While people seldom talk about it and it is a subject of more or less embarrassment, it nevertheless is one in which an amazing number of folks are keenly interested.

If it happens, gentle reader, that you are interested in this subject, Don't call your newspaper and get in the editor's hair—call your local druggist and if he doesn't have it he can probably figure out where to get it. From now on you can rub my head with McLaran's 3 out of 5 and call me Harry.

From where I sit... by Joe Marsh

It's Leap Year, Girls!

First girl in our town to "get her man" on Leap Year was the Cuppers' daughter, Jane, who wed Bill Webster's boy last Saturday.

When I asked Bill Jr. if it was true that Jane really did the proposing, Bill said: No, but she made it plain she'd make an ideal wife. Instead of looking for diversion or excitement every evening, she was content to chat beside the fire.

"I could plainly see," says Bill, "that we'd really have a happy home life—which is just exactly what I want from marriage."

I know it's usual for older folks to shake their heads over the younger generation. (It's gone on for hundreds of years, now.)

But from where I sit, young people of marrying age today are every bit as commendable as their elders were—in their temperance (a glass of beer for instance), tolerance, and common sense. So to Jane and Bill—the best of luck!

Pahokee Baptist Church Notes

Rev. C. A. Moberg, pastor of the First Baptist Church of Pahokee was greeted with a capacity congregation Sunday night to hear the first of the series of Bible talks on, "Israel, the New State." In view of the interest manifested Sunday night and since, the pastor has decided to present a verse by verse discourse, necessitating because of the magnitude of the subject, several services to complete the series.

All attending are respectfully asked to bring their Bibles, pencils and note books. The verses given last Sunday night with comment will be repeated this Sunday night that those desiring to share in this study will be part of the program from the beginning. That the maximum in time might be given, it is planned to limit the preliminary program of music and announcements to fifteen minutes, beginning the speaking at 8:15 and closing at 8:55, with five minutes for the close.

What is meant by Israel? How did this originate? Why Jew? Why Hebrew? Why Israelite? How did the Arab originate? Is he related to the Jew? How? Why are the Jews a scattered people? Why are they interested in Palestine as at no time since A. D. 70? Will they return? When? Why? How?

These and other questions will be answered with Bible verses as the study proceeds. Pahokee is to be congratulated on being made up of citizens who are interested in this vital matter. Its outcome will have a distinct bearing upon the future of this world, not too far into the future.

Cinematic Chatter

By Malcolm Millar

"Albuquerque"! A magic word for those hardy cowhands, driving their herds North and East to Kansas City, in the days when the Chisholm Trail flourished with "rustlers", saloons and dance halls. It is a magic word today, to those who are lovers of outdoor adventure, daring, recklessness etc.

Albuquerque, with Randolph Scott, Nan Britton, starred and George "Gabby" Hayes and Albert Dekker heading the featured players cast, is to bow into the Prince Theatre Sunday-Monday and every cinema addict will state it is one of the most adventuresome pictures that has been seen locally in some time.

"George Gabby Hayes", who has been the idol of millions of Western fans for years, has charge of the comedy end of the picture. Although there are spots in the picture where George gets very dramatic, . . . and George is very good in this picture.

Of course we know that Randolph Scott will carry out the role of the "Law man" to perfection, and he does very good in the romantic scenes with Nan Britton, who is a very clever girl herself.

Albert Dekker is the "stipker" in the piece and he is excellent in that role. Dekker is a very clever character actor who has portrayed some very clever roles, but he has never been smoother than he is in the part he has assigned to him in Albuquerque.

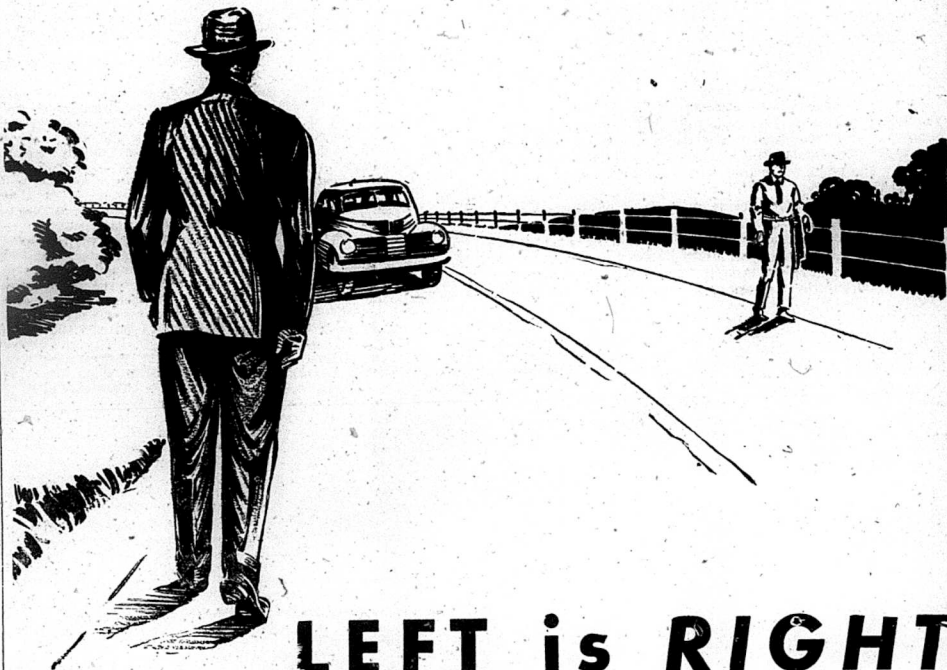

By all means see this exceptional Western picture.

See you at the movies—Mal.

Mrs. H. C. Graham was welcomed as a new member of the Grace Jernigan Circle, First Baptist WMU, at a meeting at the home of Mrs. J. D. Agner Tuesday night. A program of missionaries of the Southern Baptist Convention was presented by Mrs. Agner. Others taking part were Mrs. H. L. Speer and Mrs. Wiley Tillis.

Mr. and Mrs. Joe Thompson have as a house guest her sister, Miss Corrine Garrett, of Memphis, Tenn.

Mrs. L. W. Armstrong and Mrs. Pauline Rice spent Wednesday in Lake Worth visiting relatives and friends.

LEFT is RIGHT ON THE HIGHWAY

That's right! When you must walk on the highways in rural or suburban areas, always walk on the left side of the road—*facing traffic*.

There is plenty of reason for this. Last year for every person killed facing traffic three were killed walking with traffic. 24 Floridians lost their lives and 33 were injured walking the wrong way instead of facing oncoming cars. For every daytime fatality there were 4 deaths during the dusk and dark hours. Six more people lost their lives merely standing in the road.

Never assume you are safe when walking on the highways—many times you are hard to see. Then, too, the despicable hit and run driver is still at large—his numbers and his victims increasing. In the first six months of 1946, 78 hit-and-run accidents were recorded in Florida and 16 were killed by these car cowards.

So remember for your own sake—on highways, walk to the left facing traffic—be alert to danger—be alive tomorrow.

"The Two Fortresses" To Be Blairs Subject

"The Two Fortresses" will be the theme of the sermon of the Morning Worship Service of the Canal Point Methodist Church on Sunday. The text will be found in Proverbs 18. Preceding the service at 11 will be Student Recognition Sunday in our Sunday School at which time we will salute the pupils and teachers who have made such a splendid advance in the last year. Our attendance since Easter has more than doubled that of 1½ years ago. As we start into the summer months it is well to salute such grand advancement. Class awards will be presented to the leading classes.

Time of the Evening Service for the summer months has been moved to 8:00 p. m. At this service the minister will speak on "Using the Little to Get the Great" from a text in Luke 16. Another year has gone and next week the ministers of Florida Methodism will meet in Annual Conference at the White Temple in Miami. Ministerial appointments will be read following the Morning Service led by Bishop Moore on Sunday, June 6. Mr. Blair will go to the Conference secure in the

knowledge that in spite of severe setbacks from storms and floods, the Canal Point Methodist Church made strong advances in all departments. No one knows what the next year will bring, but we do know that if the fine cooperation and service is shown next year as it has been in the past, even greater progress will be made.

There will be no meetings of Youth Fellowship, Junior Fellowship next week. Sunday School will be held, of course, and worshippers are urged to attend the services in our neighboring churches in the morning. Plans for our evening service will be announced next week.

The Youth Fellowship recently turned over to the treasurer the amount of \$50 for the Sunday School Building.

Mosquito time is here again and government entomologists urge the elimination of all stading water, change of water in troughs, birdbaths, etc., at least twice a week, covers for rain barrels, the use of fine mesh wire screening on doors and windows.

Mr. and Mrs. Robert F. Phipps have gone to Asheville, N. C., for the summer.

Pahokee Sunbeam To Present Annual Church Program

The Sunbeam Band of the First Baptist Church of Pahokee will present its annual church program Sunday morning at eleven o'clock. The presentation will be under the leadership of the Mesdames James E. Batchelor, J. C. Sowder, Robert Hitchcock and Virginia Crews. The program follows:

Song, "Into My Heart," Sunbeams; Activities report; Song, "Jesus Loves the Little Children, Sunbeams; Exercise, "Building Up the Temple," Sunbeams; 23rd Psalm, Valerie Geiger; Watchword, Sunbeams; Rally Cry, Sunbeams.

Song, "Jesus Loves Me" Dorothy Ann and James Evert Batchelor, Edwin Humphries, Sandra Lampi, Brenda Kay Unwin, Betty Ray Gillis and Eddie Crews.

Bible Verses, Bobby Culberson, Joyce Harnell, Mary Lou Herndon, Vivian Batchelor and Edwin Humphries.

Song, "Be a Little Sunbeam", Vivian Batchelor, Marilyn Herndon, Jeanette Spooner, Joyce Harnell, Valerie Geiger and Tripp Alderman.

Song, "Jesus Wants Me For a Sunbeam"—Vivian Batchelor, Mary Lou Herndon, Jeanette Spooner, Joyce Harnell, Valerie Geiger and Tripp Alderman.

Song, "Climb Up Sunshine Mountain"—Sunbeams.

Song, "Praise Him All Ye Little Children"—Sunbeams.

Other members include Jeff Barwick, Rebecca Barwick, Reba Carlton, Gay Carlton, Fay Carlton, Bebe Davis, Jimmy Gray, Rebecca Grimes, James Lawson, Dorothy Humphries, Joyce Herndon, Marilyn Herndon, Effie Lou Keen, Buddy Keen, Robert Lindrose, Jerry Lindrose, Lester Lindrose, Billy Mackey, Philip Spooner, Sandra Sowder, Antonette Santo, Joan Todd, Willie Dean Todd, Wayne Unwin, Sonny Libhart, Gloria Jean Batchelor, Mary Joe Batchelor, Bobbie Culberson, Norman User, Freda Nickles, Jimmie Sue Nickles, Patsy Shepherd, Jerry Tibbits, Richard Hardaway, Betty Ann Register, Paula Collier, Wilda Davis, Butch Enders, Renny Connell, Janet Connell, Suzanne Young, Sonny Young, Virginia Culberson, Tommie Culberson, Myra Jones, James Thomas Holden, Jr., Dorothy Jean Ezeil, Myra Ruth Frasure and Geraldine Upthegrove. These will complete the Sunbeam gospel choir.

A most cordial invitation is extended to all interested to attend. The parents of this Sunbeam children's band will be the special guests at this service. Rev. C. A. Moberg will be the pianist and will present a short sermon commensurate with the occasion.

WSCS Complete Mission Study

The spring mission study of "Great Prayers of The Bible" was completed by members of the Simonson-LaR Circle, First Methodist Woman's Society of Christian Service, at a meeting at the home of Mrs. Inman W. Weeks Monday afternoon with Mrs. John A. Dulany presenting a review of the last two chapters. Mrs. Dulany was introduced by Mrs. Arch Blakey, program chairman.

Gifts were presented to Mrs. R. J. Schroder, Mrs. D. D. Caudill and Mrs. Dulany by Mrs. Blakey in appreciation of their work in the mission study presentation. The circle presented a gift to Mrs. J. E. Colson, retiring WSCS president, with Mrs. R. J. Simonson and Mrs. W. H. Lair delegated to make the presentation.

The group voted a donation to the fine arts department of Scarritt College, Nashville, Tenn. It was announced that regular circle meetings will be continued through the summer months.

Mrs. Weeks was assisted in the serving of refreshments by Mrs. C. A. Shive and Mrs. Duncan Padgett, co-hostesses.

Mrs. James Vann was called to North Carolina last week by the death of a relative there.

DeMoya Announce New Office Hours

In order that more of its employees may enjoy a five-day work week, Florida Power & Light Company, beginning June 5, will keep its business office closed on Saturdays, P. P. deMoya, district manager, has announced.

"Two full days of rest and recreation for our employees on week-ends will result," deMoya stated, "and we feel that the public will agree with us in this step which benefits our employees. We are following a plan that many business firms have already adopted."

deMoya stated that the local office will be open to the public from 9 a. m. to 5 p. m. daily, Monday through Friday. He stressed, however, that emergency telephone calls, as in the past, may be made at any hour.

Customers who wish to pay bills on Saturday may drop their bills and payment through a slot in the door of the company's office. Envelopes are provided at the door for this purpose. The depository is also available for "after hours" payments and in the evenings.

"Should the customer not have the exact amount of change indicated by the bill," deMoya explained, "any amount of over payment will be credited on his next bill. This applies to mail payments, also. The majority of our customers already use the mail for paying bills because of its convenience."

Edwin Rice, son of Mrs. Pauline Rice, is scheduled to receive a bachelor of science degree in agriculture at the University of Florida this spring. Edwin is one of the 12 Palm Beach County students listed among the 609 candidates for degrees at the university this spring and will receive his BSA at the open air graduating exercises to be held on Florida Field, Gainesville, on June 7.

Miss Anderson To Receive Bachelor Of Arts Degree

Miss Margaret Anderson of Pahokee, Florida will be graduated from Scarritt College, Nashville, Tennessee on June 4th with a Bachelor of Arts degree. She is the daughter of Mr. and Mrs. H. J. Anderson of Pahokee, and before coming to Scarritt attended Palm Beach Junior College.

Upon her graduation, Miss Anderson will be Director of Youth Work and secretary to the Pastor of the First Methodist Church, Lake City, Florida.

Scarritt College, which is part of the University Center of Nashville, is a co-educational senior college and graduate school for the advanced and specialized training of social - religious workers, who are greatly in demand by church and social agencies both in the United States and abroad. Its program is based upon a definitely Christian philosophy. A number of Missionaries on furlough and foreign born students were enrolled at Scarritt College this year. Their foreign experience and contacts contribute an international flavor to what the college offers in formal training. Scarritt graduates go out all over the nation and into all the world as active workers in social, educational and religious service that helps to advance human welfare.

Men's Bible Class Has Good Attendance

It is most gratifying, although summer is here, to find the attendance of the Pahokee Men's Bible Class above its average of the busy farming season just terminated. Nothing in particular is being done toward this end. Hence, it is of commendable significance that the "teaching of the Bible" attraction is gradually enabling the class to reach its goal of 200 in enrollment.

This is a large order for the size of Pahokee, but not impossible of fulfillment, for, "God is able." Sunday's lesson, based upon the Book of Daniel is most timely in view of present day conditions. Who was Daniel? Who was Nebuchadnezzar? What did he dream? Does it yet await fulfillment? Where are the Nedes? The Persians? The Greeks? The Romans? What about Federation? How did Daniel know? These and other questions will be answered based upon the Bible.

The class enjoyed the singing of the quartet last Sunday. Messrs. Grimes, Spooner, Butler and Cowart will again favor this Sunday. All unaffiliated men and visitors are most cordially invited to attend and join this group which meets Sundays at 9:45 in Fellowship Hall on Bacom Point Road. Rev. C. A. Moberg is the teacher.

Major and Mrs. P. Andrew Keyes and children have returned to Macon, Ga., after a visit with her parents, Mr. and Mrs. R. W. Sanders, in Pahokee.

Annual Installation B&P Woman's Club

J. Tom Watson, Jr., president of radio station WSWN, was guest speaker at the annual installation banquet of the Everglades Business and Professional Woman's Club held Tuesday night in the Pahokee Woman's Club building. The speaker gave an interesting talk on "The Progress of Women in Government."

At the beautiful and impressive candlelight installation service the following newly elected officers were inducted: Sarah Thomas, president; Faye Abbing, first vice president; Doris Carter, second vice president; Lois Mock, recording secretary; Rethelle Dobbrow, corresponding secretary, and Violet Hall, treasurer. Sara Creech immediate past president of the State Federation, acted as installing officer.

Also on the program Mrs. Creech gave a brief talk on "The Florida Federation of Business and Professional Women's Clubs." The club woman's collect was given by Ruth Durey. Elizabeth Enecks played piano selections and Jeanne Gough danced the "Toe Waltz." A message of appreciation to officers who have served the club during the past year was delivered by Tommie Lee DuBose, retiring president. The program was concluded with the group singing of "Perfect Day," led by Faye Abbing with Elizabeth Enecks at the piano.

Gifts were presented to the retiring president, the guest speaker and the installing officer as tokens of the club's appreciation for their services, with Alma Farrow making the presentation.

this year's installation banquet and for their assistance in making outstanding success the club wishes to thank Edith Cross, Lorraine Vann and Hazel Chastain for the lovely fern and cut flower decorations; Mrs. Ralph Stanley, her helper and the home economics girls, Wynell Gills, Wanda Harper, Patsy Elliott and Shirley Watson for a bountiful meal and excellent service; and Doris Carter, Faye Abbing and Sarah Thomas for the fine program of entertainment.

WMU Circle Welcome Two New Members

Mrs. W. W. Smith and Mrs. Bessie Levens were welcomed as new members of the Lucy Jones Circle, First Baptist WMU, at a meeting at the home of Miss Nina Briggs Tuesday afternoon.

Miss Briggs presented an illustrated devotional program based on "The Lord's Prayer." At the conclusion of the meeting members of the circle gave a handkerchief shower, honoring Miss Briggs who is leaving soon for the North where she will continue her mission work through the summer months.

PRELUDE TO ACCIDENT-

Injury - - - Death!

Every violation of the center line of safety is a potential prelude to accident.

Crossing into the danger zone can occur at the approach to the top of a hill—on a curve—going into an underpass, or even on the straight highway. That's reckless, dangerous driving! Accident records show that about one half of all fatal traffic accidents result from bad driving habits such as these.

It's your responsibility to yourself, your family and to others who share the road to avoid these "Pass-Pockets" where lurk injury—and death.

Don't let impatient driving tag your conscience with being one of those who contributed to the maiming or death of the hundreds of thousands who will be auto accident victims this year.

You can be a safe driver if you will. It's up to you.

Paul Rardin, Publisher

THANKS!

I want to thank my hundreds of friends and supporters in the Everglades district of Palm Beach County for returning me to the office of County Commissioner for another term of Four Years. I am deeply grateful to those who so ardently worked in my behalf and gave my candidacy serious consideration. I wish it possible that I could thank each one personally in the Canal Point, Pahokee, Chosen, Belle Glade and South Bay precincts who cast a vote to return me to the County Commission.

In coming months let's forget politics and get down to the business of building a bigger and better Everglades. I will do my utmost to carry on my share of the work for betterment of our section of Palm Beach County. At all times I want you to feel free to call on me when I can be of service.
